## Study Abstracts

### HPTN 052

1. **Evaluation of Phylogenetic Inference Methods to Determine Direction of HIV Transmission**
   - Oliver Laeyendecker
   - Poster

### HPTN 068

   - SM DeLong
   - Poster

3. **Multilevel Mediators of the Relationship Between Schooling and Risk of Incident HSV-2 Infection in Young Women Enrolled in HPTN 068**
   - Marie Stoner
   - Poster

4. **Community Collective Efficacy is Associated with Reduced Intimate Partner Violence (IPV) Incidence in the HPTN 068 Cohort**
   - Anna Leddy
   - Poster

5. **Self-Esteem as an Indicator of Transactional Sex Among Young Women in Rural South Africa (HPTN 068)**
   - Danielle Giovenco
   - Poster

6. **Village Community Mobilization is Associated with Reduced HIV Incidence in Young South African Women Participating in the HPTN 068 Study Cohort**
   - Sheri Lippman
   - Poster

7. **Men’s Perspectives on the Impact of Female-Directed Cash Transfers on Gender Relations: Findings from the HPTN 068 Qualitative Study**
   - Nomhle Khoza
   - Poster

8. **“The Sky is the Limit; I am Going There”: Exploring Hope Among Young Women Receiving a Conditional Cash Transfer in Rural South Africa**
   - Kait Atkins
   - Poster

### HPTN 071

9. **“Feels Like Skin to Skin”: Community Condom Preferences in Zambia From the HPTN 071 (PopART) Trial**
   - Mwelwa Phiri
   - Poster

10. **Using Routine Data to Describe Levels of Uptake and Non-Uptake of Voluntary Medical Male Circumcision Services During HPTN 071(PopART) Study, Zambia**
    - Ephraim Sakala
    - Poster

11. **Feasibility and Acceptability of Symptom Screening of Sexually Transmitted Infections: HPTN 071 (PopART) Trial in Zambia and South Africa**
    - Comfort Phiri
    - Poster

12. **HIV Care Cascade Among Adolescents in a “Test and Treat” Community Based Intervention in Zambia and South Africa: HPTN 071 (PopART) for Youth Study**
    - Kwame Shanaube
    - Poster

13. **Acceptability and Preferences of Two Different Community Models of ART Delivery in a High Prevalence Urban Setting in Zambia, Nested Within the HPTN 071 (PopART) Trial**
    - Mohammed Limbada
    - Poster

    - Bernadette Hensen
    - Poster
