Innovations to deal with Covid-19

- Configured clinic to allow for proper distancing and other safety precautions (temp checks prior to entering site vehicles/clinic)
- Set up tents outside for visits
- Scheduled special hours/held telemedicine visits
- Provided private transportation to clinic so ppts could avoid public transport
- Scheduled phone calls/sent greeting cards to ppts to stay engaged
- Held Zoom dinners (delivered food/provided gift cards for purchase of food for the dinners)
- Provision of food parcels for ppts experiencing food insecurities
- Zoom/Teams/WhatsApp communication with CAB and other community stakeholders
- Extended visits to every 12 weeks when possible (084)
- Provided PPE to staff via various sources
